

# PAY ON LINE!!! EZPay System Now Available at OHHS for Lunches and Fees

Using EZPay for paying for AP TESTS – Once you give us your commitment form we will add the fee to the student account. The charge will read “AP Test” on your statement. You can make payments on-line at your convenience until the deadline of March 1, 2012.

Are you sure your child is spending the money you give him/her for lunch on lunch? Instead of handing them cash use EZPay and let them charge it to the account you set up for them! No more lost money! You can even set a limit for the \$ amount you will allow them to spend in a day.

Oak Hill High School has implemented the Meals Plus point-of-sale system for food service. Oak Hills is excited to now partner with SPS EZpay to provide parents an online system to add to your child's lunch account, as well as pay instructional fees. You may use your credit or debit card for the transaction in the convenience of your own home!

Questions may be directed to Oak Hill High School, 1-866-MyEZpay (866-693-9729) or email at [info@spsezpay.com](mailto:info@spsezpay.com). Payments made online will be credited by the end of the next business day. There is a no charge to use this system! Please note: Your child can bring cash or check to school and give it to a cafeteria cashier for immediate credit.

Parents who use the on-line system must first create an account. You will need your student ID number as part of the on-line registration. No personal information about your student is available online. The district does not keep your credit card information on file and you will need to re-enter your credit card information each time you use the online system.

You can access the new on-line payment website by going to the Oak Hills High School website ([www.oakhills.k12.oh.us/Oakhills](http://www.oakhills.k12.oh.us/Oakhills)) then click on SPS EZpay logo at the bottom of the Quick Links to be transferred over to the payment site.

Complete the registration page, and add your child's name and ID number. Once you have registered and created a password, you will not need the student ID number again. You can check your child's account balances as long as you have access to the internet. If you elect to do so, you can even receive a “Low Lunch Balance” email.

Please be sure to allow SPS EZpay into your email otherwise it will be considered spam and will go into your junk email.

We hope this will make payments easier and more convenient.

To set up a limit on your child's daily spending please contact Ruth Holzinger at 467-7123 or [Holzinger\\_r@ohlsd.org](mailto:Holzinger_r@ohlsd.org).
